LETTER FROM OUR LVCC PRESIDENT

On behalf of our membership, I want to thank you for getting involved in your neighborhood. 2008-'09 was an exciting time for our organization where:

- We resumed our practice of holding our LVCC Board meetings in each branch so residents and businesses could see what is happening in the branches, versus meeting in the LVCC Office.
- We held quarterly meeting with the Branch Presidents and the LVCC Executive Board to plan events and communicate on issues in our area.
- Two branches (Sheil Park Neighbors and West Lakeview Neighbors) consolidated into one larger, stronger organization to represent the residents and businesses between Racine and Damen
- The LVCC By-Laws Committee undertook a tremendous task of making several suggested revisions to our By-Laws that are currently being reviewed by the Board of Directors.
- We added a section to the LVCC website (www.lakeviewcitizens.org) wherein we list major planned developments in Lake View and where residents can download the artist renderings and architectural plans for these proposals.
- The Anti-Crime Committee sponsored several safety seminars for residents and business aimed to prevent attacks, thefts and robberies in partnership with the Chicago Police Department.

We are excited to be embarking on a move to a new office at 3550 N Clark effective June 1, 2009. The new location offers a store front location, better visibility, better access, a security system, an elevator and a meeting space. We will share the space with Central Lakeview Merchants Association (CLMA). Throughout the month of May we will be packing and donating historic items from our 50+ years as the voice of Lake View to the Sulzer Library. Similarly, any furniture we no longer will need will be donated to a local charity.

Looking ahead, we have many initiatives including:

- The Membership Committee is working with the four area business chambers to coordinate a program of discounts at local businesses that would be offered as part of your Lake View Citizens' Council membership benefit.
- LVCC will continue to monitor the large zoning projects in our area and inform the Alderman's office of the community concerns.
- Our summer Music Festival (in August) and a fall Bowling Party.

If re-elected, my goal will be to increase awareness of the LVCC and membership.

Thanks again for your support,

Diann Marsalek
President LVCC

LVCC HISTORY

Founded in 1952, The Lake View Citizens' Council (LVCC) has provided continual service to the Lake View community. The LVCC Board of Directors and its 12 affiliated neighborhood branch organizations work constantly to gather information on community issues, inform residents of these issues and provide a public forum for the discussion of community concerns. That mission continues to this day, as LVCC works to improve the physical and social environment of Lake View for the good of all Lake View citizens.

OUTREACH DIRECTOR REPORT

LVCC has enjoyed a busy year with Diann Marsalek taking over as President a year ago. We had our annual Music Fest in July with a fabulous line up of bands. The turn out was very good despite the fact the event was over the 4th of July holiday. Volunteers helped pour beer and they were able to keep their tips and donate them to the charity of their choice. Almost all groups made hundreds of dollars, so that was a great way to give back to the neighborhood.

We continued the LVCC sponsored young professionals networking Link & Drink through October. It gave us an opportunity to introduce LVCC to our local 25 – 35 year olds and build awareness of Lake View as a terrific neighborhood.

Almost monthly, we had Meet and Greets, Safety Seminars and Police Appreciation with the 19th and 23rd Precincts. Both of our new Precinct Commanders, Boehmer and Kenny were very generous to attend these get-togethers. LVCC continued the Bike rides and midnight neighborhood security walks with the police.

While we tried hard to have a fundraiser honoring the life of slain San Francisco City Supervisor Harvey Milk by having a private screening of the movie 'MILK', the producers would not permit such an event. They did generously give us 25 passes to the movie prior to its opening.

The Founders' Club Party (formerly Century Club) was at Harry Caray's and LVCC raised about \$4,000 dollars. Everyone had a great time. We deeply appreciated so much support from the community.

LVCC and CLMA teamed for our annual Holiday Party at Slaymaker that, by all accounts and the huge attendance, was a smashing success. Local restaurants and bars donated an amazing amount of food and wine. We were serenaded by live music amidst the lovely holiday decorations. Woody Slaymaker was the consummate host.

2009 started off with a bang! In February, LVCC hosted a Candidates' Forum for the 5th Congressional seat vacated by Rahm Emanuel at the Inter-American School. Remarkably, all but two candidates from all three parties participated. Ben Bradley of ABC- 7 was a terrific Emcee. The event was well attended and covered by the media.

Last year I started attending City Council, County Commission and 2016 meetings to give feedback to our Board about issues pertinent to Lake View. I attend the LVCC Branch meetings monthly and am very aware of what the concerns are across Lake View. All of this enables us to feel connected to one another and to our City as a whole.

We have been working on growing our membership. We handed out 2500 membership cards in April. The Chambers of Commerce have generously teamed up with us to promote LVCC amongst their merchants. Soon we hope to reap benefits from these outreach efforts.

Thank you all for making this a terrific year. I look forward to our continued efforts to have Lake View be a very special, unique place to live, play and work.

HAWTHORNE NEIGHBORS (HN)

hawthorne@lakeviewcitizens.org

It is amazing that still another year has passed and this Annual Report is being written again. Hawthorne Neighbors next Meeting will take place on Monday, May 18th.

Major issues in 2008-2009 centered on quality of life issues: the development (some may say over-development) of the neighborhood, the businesses on Clark Street (overcrowded sidewalks, public rowdiness/urination) and the potential of a major redevelopment at Addison/Clark. The new Zoning Ordinances have developers looking for variances. Incidental liquor license applications concern HN – Clark Street still needs other types of businesses. Compliance to the regulations for the operation of sidewalk cafes continues to be an issue. Some establishments do better than others.

The CLMA Music Fest is scheduled for May 30th and 31st. It promises to be bigger and better than previous years. For the fourth year, HN and CLVN will co-host a Movie-in-the-Park at Hawthorne School on Sunday, June 5th. Bring blankets and chairs – ice cream will be available.

Many of our concerns coincide with other branches' concerns: housing diversity and density, developers' proposals for town-homes and three flats, trash/noise/public drinking along our business strips, liquor license and beer garden requests, poor mail delivery, and parking. Individually with our branches and collectively with LVCC, we will continue to meet the challenges to improve our living environment.

South East Lake View Neighbors (SELVN) has had an exciting and productive year. With a move in 2008 to monthly meetings and to the main sanctuary of Wellington Avenue Church, meeting attendance, membership, and participation has increased significantly. SELVN is currently producing a tour for the 2009 Great Chicago Places and Spaces program to highlight the Surf-Pine Grove Historic District, which was used last year as a backdrop for a movie. SELVN members donated dozens of pairs of glasses to the Lions Club International glasses recycling program to be given to people who cannot afford eyeglasses. SELVN is currently involved in the Cell Phones for Soldiers program and setting up drop-off sites. SELVN residents are anxiously awaiting progress on the development at 3030 North Broadway, which would include the return of a grocery store to the site. After a ceremonial groundbreaking in the fall of 2008, no further progress has been made on the site and now appears to be a casualty of the global economic downturn.

In 2008 SNA held monthly Board meetings and quarterly community meetings. The issues that came before the Association included: CAPS, Cubs' concert, preservation, development and new businesses. In 2008 SNA raised funds from *Summer on Southport* to donate to Blaine School, the Lakeview Pantry and Sheil Park Playground Renovation. The Board had planned to host

Summer on Southport for the 7th year in July 2009, but the Cubs picked that same weekend to host the Rascal Flatts concert. Because the festival could not be changed to another date and for various other reasons *Summer on Southport* was cancelled for 2009 but will return in July of 2010. SNA plans to continue the Southport Green Market on Saturdays beginning June 14th, and the work of its many committees including beautification, planning and development, CDDC, Retail support, LVCC and others to improve the quality of life for our residents and businesses. Triangle Neighbors represents the residents and businesses bounded by Clark, Halsted, and Addison in the Lakeview community. One of the most important initiatives for Triangle is to build a community garden park at 815-817 W Roscoe. Through various fundraising efforts, Triangle has raised over \$1.2 Million to acquire two adjacent lots. We are happy to report we are in the home stretch with the fence already installed, the bricks donated (thanks to Belgard and CSEM) and permits in hand. Triangle held the 12th Annual Northalsted Halloween Parade as a free costume contest for kids, pets, adults and groups. Over 40,000 viewed and 300 participated in the parade which has quickly grown to become one of the Chicago area's must-attend Halloween events. The parade draws a broad mix of area residents including children and families. The iconic annual parade is always guaranteed to be one of the city's most outrageous and imaginative Halloween celebrations.

LVCC COMMITTEE REPORTS

Anti-Crime Committee Report: Chair-Diann Marsalek

The LVCC Anti-Crime Committee, Chicago Police and Alderman Tunney sponsored a series of anti-crime seminars directed to residents and businesses. The seminars focused on personal safety tips, tips to prevent theft from your home, car and garage and tips for businesses to prevent theft or burglary. LVCC will continue to provide these seminars throughout the year in both the day and evening hours. Watch the LVCC website for future seminars.

Communications: Chair John Becvar

Despite lower new member acquisition numbers, we continue to average 32% open rate, 24% click-thru rate and less than 4% bounce rate on LVCC and Triangle emails sent from Constant Contact. This is favorable to other non-profits emails that average 24% open rate, 5% click-thru and 11% bounce rate. LVCC and the branches conducted four surveys last year – each having several hundred responses as a way to provide feedback to the Aldermen.

LVCC Music Fest: LVCC's annual fundraiser is the music festival which was held in August 2008 on Sheffield from Addison to Waveland. A variety of bands played at the two day festival. Branches, local charities and local not for profit groups were given the opportunity to work the beer tent. All tips raised during their shift were donated to that entity. This was a great way for LVCC to help their branches and other charities to raise funds and give back to the community.

Operation Mitten: Chair Diann Marsalek

LVCC raised funds to purchase gloves, mittens and hats to be given to local children. Many items were donated to the 19th and 23rd District police departments so the officers could distribute these items to children in need that they encounter on their patrol. LVCC has funded this project for many years and makes the children warmer in the cold winter months.

Non-Denominational Thanksgiving Service

LVCC worked with the local clergy to hold a non-denominational Thanksgiving Service in November. Individuals attending were asked to donate money or non-perishable food items. All funds and food collected were donated to the Lake View Pantry.

In the case of Affiliate Service Organizations that have a membership base of at least 25 members, all of whom would either be residents of Lake View or persons with a special talent or interest in the services provided, and which maintain a community board, it may be made part of the agreement that the Affiliate Service Organization be granted the power to appoint a voting director on the LVCC Board of Directors.
