## FROM OUR LVCC PRESIDENT

*May 2008*

Dear Friends and Supporters of LVCC,

The Lake View Citizens' Council (LVCC) and its twelve neighborhood branches continue to serve you, the residents and businesses of this great community. Completing our 56th year, we are pleased to represent over 100,000 people in five aldermanic wards.

Our twelve branches continue to be the grass roots associations working with the community, local officials and government agencies to make our streets safer, cleaner and in better repair, to enhance our lakefront and other green spaces and, lastly, to protect our community from irresponsible development.

Volunteerism is important in any community. This past year, we continued to work diligently in creating Space Park on Roscoe, our efforts at the Bill Jarvis Bird Sanctuary, the Magic Hedge and the Jewish Graceland Cemetery. Last summer a team of volunteers particularly from the western part of Lake View spent several Sundays cleaning up and making respectful a cemetery that has been part of the Lake View community for many, many years.

Safety in Lake View was a big concern last year. Although statistics show that crime did not increase, the types of crime changed. LVCC took action. We held a rally last summer that drew the attention of every Chicago TV station. We had a petition drive asking City Hall for more police in our area. In a short period of time, we collected over 3,000 names. We worked with Alderman Tunney's office in promoting his safety workshop.

We continue to work on issues of taxation as well as transit issues.

We have a mechanism in place to get the pulse of our neighborhood. The LVCC survey has helped the aldermen in the area understand the neighborhood's feelings on the new development proposed at Clark and Addison. We also took a survey on the use of a trolley system in the Lake View area to complement the CTA.

In our efforts to have a more open dialogue between the citizens and the police, we held a Meet and Greet at John Barleycorn's last November. We plan to do a Bike Safety Tour this upcoming June with the police followed by another Meet and Greet.

Our branches continue to do fundraising and food/clothing drives for the needy during the holiday seasons. Southport Neighbors created a Green Farmers Market last summer. It was very successful and this summer will be expanded.

And finally, LVCC worked with the various schools in the Lake View area to create the new program LV360-My World My Lake View. This project gave our students the ability to express what it means to live in Lake View through art and writing. These students are our future and we should be very proud of what they have accomplished.

Thank you again, Reverend David Abrahamson and the St Luke's Church for allowing us to hold our meeting here as well as all of those local businesses who have contributed food and drinks tonight.

*David Winner  
President LVCC*

**MAKING LAKE VIEW A BETTER PLACE TO LIVE, WORK, & PLAY**

Founded in 1952, The Lake View Citizens' Council (LVCC) has provided continual service to the Lake View community. The LVCC Board of Directors and its 12 affiliated neighborhood branch organizations work constantly to gather information on community issues, inform residents of these issues and provide a public forum for the discussion of community concerns. That mission continues to this day, as LVCC works to improve the physical and social environment of Lake View for the good of all Lake View citizens.

## LVCC TO HONOR ITS CITIZENS AT ANNUAL MEETING

Every year LVCC honors individuals who have made generous contributions to the community. This year, in addition to recognizing adults, we will also be including elementary school kids from 8 Chicago Public Schools in Lake View.

With the notion that it's never too early to get kids thinking civically and historically, LVCC designed a program whereby school kids would take a class period and create an expression of what Lake View means to them. Some kids will be drawing pictures, others are doing a photography project and some will write essays. The program is **LV 360 My World | My Lake View** and we will be giving awards for the best work. Sulzer Library, keeper of historical Lake View memorabilia, will have on display photos of Lake View from their archives.

LVCC also will have the pleasure of giving awards to two of our much loved citizens, **Comm. George Rosebrock**, who recently retired from Commander of the 19<sup>th</sup> Precinct. Comm. Rosebrock's family has lived in Lake View for hundreds of years. He joined the police department in 1980. Being appointed to the 19<sup>th</sup> District was a homecoming and he was thrilled to be able to end that career in the place that made him the happiest.

Award recipient **Patrick Butler**, a fourth generation Chicagoan, covered the North Side as a reporter for Lerner Newspapers, once the nation's largest chain of community publications. He was a fixture at Lake View events and community meetings. As a journalist, he covered the '68 DNC riots. He has interviewed many dignitaries, including Pres. Jimmy Carter, P.M. Yitzak Shamir of Israel and various European leaders and royalty. He was the author of an early edition of the Lake View Saga and former president of the Ravenswood Lake View Historical Association.

### **CENTRAL LAKE VIEW NEIGHBORS (CLVN)**

Central Lake View Neighbors (CLVN) is bounded by Diversey to Belmont and Halsted to Racine. CLVN worked with Central Lake View Merchants (CLMA) to improve the appearance of the Sheffield corridor. Sheffield now has planters on the blocks with items that will change seasonally. Also attractive garbage cans were placed along Sheffield. CLVN is working with East Lake View Merchants Chamber of Commerce and South East Lake View Neighbors for planters to be placed along Halsted Street. CLVN has raised funds for our Beautification project. CLVN planted plant flowers and shrubs on ten corners along the interior streets. The corners now have plants and colorful flowers for all to see. This spring CLVN will plant the remaining six corners. CLVN worked to address the three parks/playlots in the area to enhance their appearance. CLVN is sponsoring fundraisers to raise funds for the renovation of Weisman Park located at Oakdale and Mildred. CLVN has held a wine tasting, held a flower sale, will hold a Sheffield Pub Crawl in June and a block party in July. All funds will be designated for our Weisman Park renovation fund. CLVN has had speakers come to their meetings and works to educate the members about sanitation issues including rodent control. Many neighbors have worked to improve the appearance of Agassiz School by planting. In June Central Lake View Merchants will sponsor a summer movie for Central Lake View Neighbors and Hawthorne Neighbors.

CLVN works to increase membership both of residents and businesses. CLVN holds events at various businesses in the area and strives to promote the partnership between the neighbors and business. Some of the CLVN business members include Kirkwood Bar & Grill, Advocate Illinois Masonic Hospital, Bottle Bar, Genacelli, Mad River, 7-11, Vaughan's, Ann Sather's, the Vic, Penny's Noodles, Prestige Liquor and Matilda's.

The members of CLVN are very devoted to the quality of life in our neighborhood. We try to improve the green space. We inform residents of issues such as sanitation, crime, zoning requests and other quality of life issues. CLVN looks forward to working with Advocate Illinois Masonic Hospital on their Planned Development of the Hospital and the surrounding campus.

### **TRIANGLE NEIGHBORS (TN)**

Triangle Neighbors represents the residents and businesses bounded by Clark, Halsted, and Addison in the Lakeview community. One of the most important initiatives for Triangle is to build a community garden park at 815-817 W Roscoe. Through various fundraising efforts, Triangle has raised over \$1.2 Million to acquire two adjacent lots. Last summer, we chose Marisa Gora's winning design and we are now in the process of building the actual garden park (full details at [www.lakeviewcitizens.org/parkdesign.asp](http://www.lakeviewcitizens.org/parkdesign.asp)). Thanks goes to all the volunteers, including YCL, who clean up the lots semi-annually while we wait for the official City permits.

Last summer, Triangle Neighbors actively took part in the Halsted Street Task Force. In conjunction with NAMA (Northalsted Area Merchants Association) and the 23<sup>rd</sup> District Police Department, TN members spent several nights "walking the beat" (patrolling the neighborhood to increase awareness of issues).

Triangle held the 11th Annual Northalsted Halloween Parade as a free costume contest for kids, pets, adults and groups. Last year's theme, "Fire Breathin", featured multiple dragons and a pyrotechnic show. Over 40,000 viewed and 300 participated in the parade which has quickly grown to become one of the Chicago area's must-attend Halloween events. The parade draws a broad mix of area residents including children and families. The iconic annual parade is always guaranteed to be one of the city's most outrageous and imaginative Halloween celebrations.

More recently, Triangle welcomed Harry Caray's Tavern to the neighborhood. Harry Caray's Tavern hosted Triangle as part of their grand opening celebration and helped raise several thousand dollars for Space Park. Triangle received an additional donation from the Chicago Cubs.

Section 1: Chartering: Ten or more individual members of the Council from a geographic area within Lake View, bounded by or crossed by four major arteries and not then represented in whole or in part by a Branch organization, may, in writing, petition the Board of Directors for the privilege of organizing and establishing a Branch of the Council in said area. The petition shall certify the names, addresses, telephone numbers and occupations of the original petitioners; the fact that they are all members in good standing in the Council; the area in which it proposes to function and such other information which may be pertinent. The petition, bearing the signatures of all the petitioners shall be filed with the Executive Director who will present it to the Board of Directors with his recommendations. The Board of Directors shall approve any petition in good order. Upon approval of application, the petitioners shall be chartered as a Branch of the LVCC. All Branches shall be subject to the Bylaws of the LVCC. Branch charters may be suspended by a two-thirds (2/3) vote of the Board of Directors only for violation of the Bylaws and such suspension shall become revoked upon approval by the general membership of the LVCC.

The Branches shall adopt Bylaws to regulate their own operation. However, such Bylaws and all subsequent changes shall be filed with the secretary of LVCC and shall be consistent with the purposes and goals of the LVCC as defined herein.

- a) Branch Member: Each Branch shall have power to determine its own Standards of membership, provided such standards do not conflict with these Bylaws.

Section 3. The LVCC shall refer all matters, affecting or concerning an area where there is a functioning Branch of the Council, to the President of such Branch or, in his absence, the ranking officer, for advice and counsel. An existing civic or community organization, located within the boundaries of Lake View, whose membership is of a language group, may petition the Board of Directors for designation as an Affiliate Branch organization, provided that their membership is not then represented in whole or in part by any other Affiliate Branch Organization.

The petition shall bear the signatures of at least ten (10) members of said organization and shall certify their names, addresses, telephone numbers and the fact that they are all members in good standing of the Council. It shall further certify the area in which the organization functions; the number of members; that the organization is representative of and recognized by a large portion of the group it is to represent; that it holds regular membership meetings; and such other information which may be pertinent. The petition shall be filed with the Executive Director, Secretary or President and presented to the Board of Directors for its consideration. The organization's petition shall be approved by a majority of the Board of Directors voting on the question. Once approved, the organization shall lose its affiliation and representation if it no longer meets the above criterion or it formally ceases to function, or for a violation of the Bylaws of LVCC. In the event that a language group is accepted as an affiliate Branch Organization in the LVCC, the council will translate all discussion for the benefit of this group, if requested by any Council Board member present. In the case of Affiliate Service Organizations that have a membership base of at least 25 members, all of whom would either be residents of Lake View or persons with a special talent or interest in the services provided, and which maintain a community board, it may be made part of the agreement that the Affiliate Service Organization be granted the power to appoint a voting director on the LVCC Board of Directors.
