Get more involved in your neighborhood!

Triangle Neighbors Association (TNA) is part of **LAKE VIEW CITIZENS' COUNCIL (LVCC)**, a non-profit civic organizations serving the **Lake View** community. Our boundaries are the area bounded by Clark Street, Halsted Street, and Addison.

Since 1952, LVCC has been a grassroots membership organization made up of people like you and your neighbors. LVCC was established to provide citizens in Lake View with the opportunity to work together for the common good of the Lake View community.

Triangle Neighbors this past year lent vocal support to the building of a LeMoyné campus and new 23rd District Police Station on Addison Street, the northern boundary of TNA. The residents petitioned Alderman Tunney to install speed-

bumps on the 800-900 blocks of West Roscoe Street. Neighbors banded together to protect the historic nature of 800-900 W Newport and even got the street designated a "Historic Landmark Zone". And maybe most importantly, grass-roots efforts raised over \$1.2 Million to acquire two parcels to become a community garden at 815-817 W Roscoe Street.

Through the various fundraisers, including the annual Halloween Parade on Halsted Street and Chicago Cubs game outings, Triangle Neighbors brought new and lifetime residents together to build a sense of community.

We look forward to your support!
